Do you intend to transfer project funds to cooperation partners within the scope of the one third rule?

Yes No

If yes, to which institutions/organisations will the funds be transferred?

In so doing, we ensure that double funding does not occur through other Engagement Global gGmbH programmes.

D. Application for early project commencement

We ensure that the measure has not yet been started and also that it will not be started without approval by Engagement Global gGmbH. In justified individual cases and at the risk of the applicant (bearer), early project commencement can be applied for.

I hereby request early project commencement.

Justification:

E. Declaration

We hereby declare our consent to this application – insofar as necessary – being forwarded to the BMZ and to the fact that the BMZ, in individual cases and at the request of the Budget Committee, will

confidentially notify the Bundestag Budget Committee of the names of the applying organisations as well as of the size and purpose of the grants.

Images and documentation that originate in connection with the project will be made available to ENGAGEMENT GLOBAL, who will have an unlimited, simple right of use in terms of location, content and time. We agree to support ENGAGEMENT GLOBAL with images and documentation that originate in connection with the project. We agree to the details of our organisation being published on the Engagement Global website and the respective funding programme page.
